Unscramble the tiles to reveal a message.

Try to fill in the missing numbers.
Use the numbers 1 through 9 to complete the equations.

Each number is only used once.
Each row is a math equation. Each column is a math equation.
Remember that multiplication and division are performed before addition and subtraction.

## <ill $i x$,

| 21 |
| :---: |
| 25 |
| 14 |
| 2 |

| 17 | 19 | 9 | 17 |
| :--- | :--- | :--- | :--- |

Try to fill in the missing numbers.
The missing numbers are integers between 0 and 9 .
The numbers in each row add up to totals to the right.
The numbers in each column add up to the totals along the bottom.
The diagonal lines also add up the totals to the right.

## Fallen phrases

## Arabic

## A Maze me!

Find your way out the maze!

## A Maze me!

Find your way out!
